

SYNERGIST  
SCIENCE HIGH SCHOOL  
NEWARK, NEW JERSEY  
1987

*Just as footprints in the sand are impressions made by a human being, so are the photographs in this yearbook impressions of life at Science High School. Faculty, Staff, 9th, 10th, 11th graders, and especially the Seniors — the members of the Class of 1987 — all have contributed to the memories captured by the pictures and words in the 1987 Synergist. Years from now, we the Seniors will look at this book of memories and remember the faces, the places, and the happenings which affected our lives at Science High School.*

*It takes more than a good memory to have good memories.*

# SMILES

Smiles are contagious.  
Smiles are happiness, cheerfulness,  
Joy, success, and friendship.  
Smiles express a myriad of possibilities.  
Smiles can be an invitation  
Or a gentle rejection.  
They portray innerfeelings.

Catch a smile today!

## FRIENDS ARE FOREVER

Especially those that we've made here at Science High.

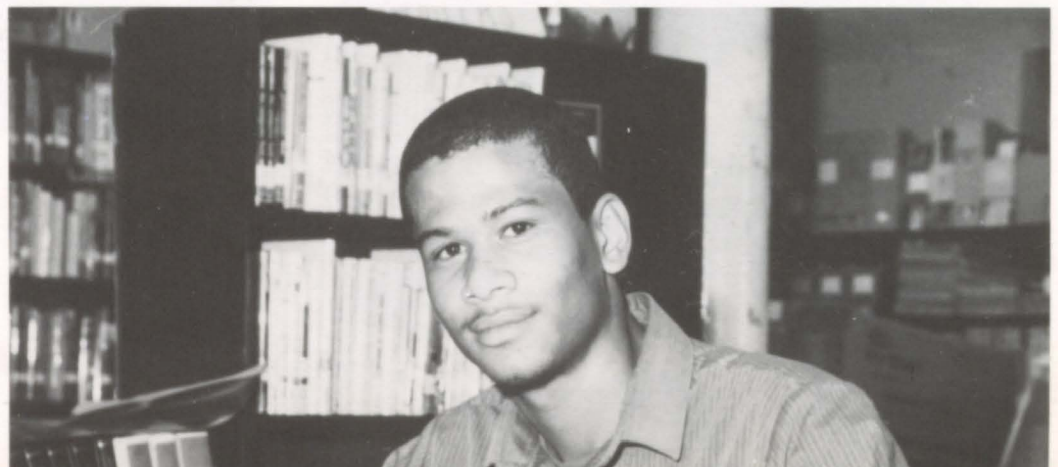

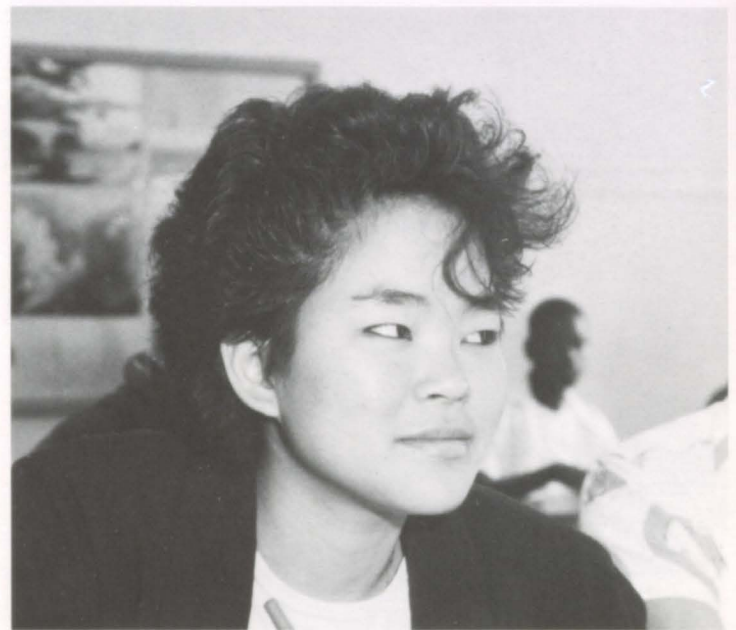

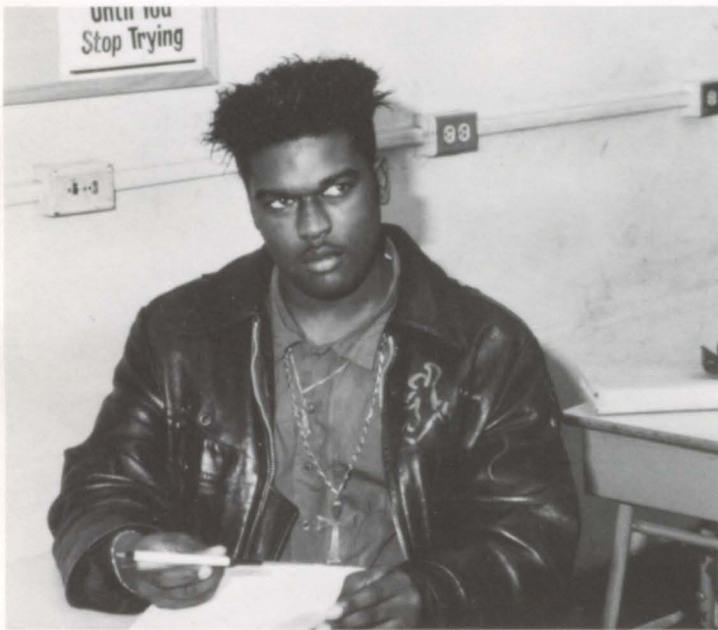

They are by our side in good times and in bad. When everyone else gives up hope, a friend doesn't. A friend is a person who can give the right advice even if it involves personal sacrifice. We are happy to have been part of this Family of Friends at Science High.

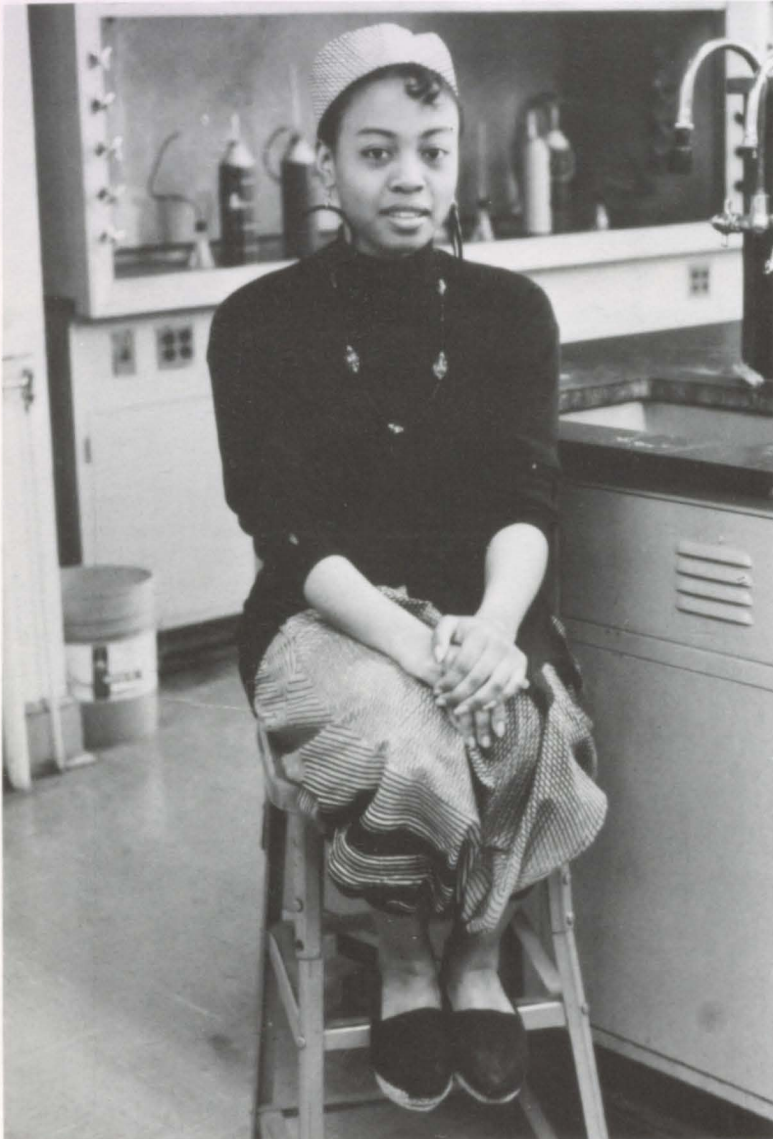

## The Eyes Have it

Eyes are mysterious, black, and bold. What they tell no one knows. Is it interest of extreme boredom? Who knows? Who tells? When they wander, they tell thousands of tales. The interpretations are personal. But no one really knows. Do they look out to the future or reflect on the past? No one knows but the mind that controls.

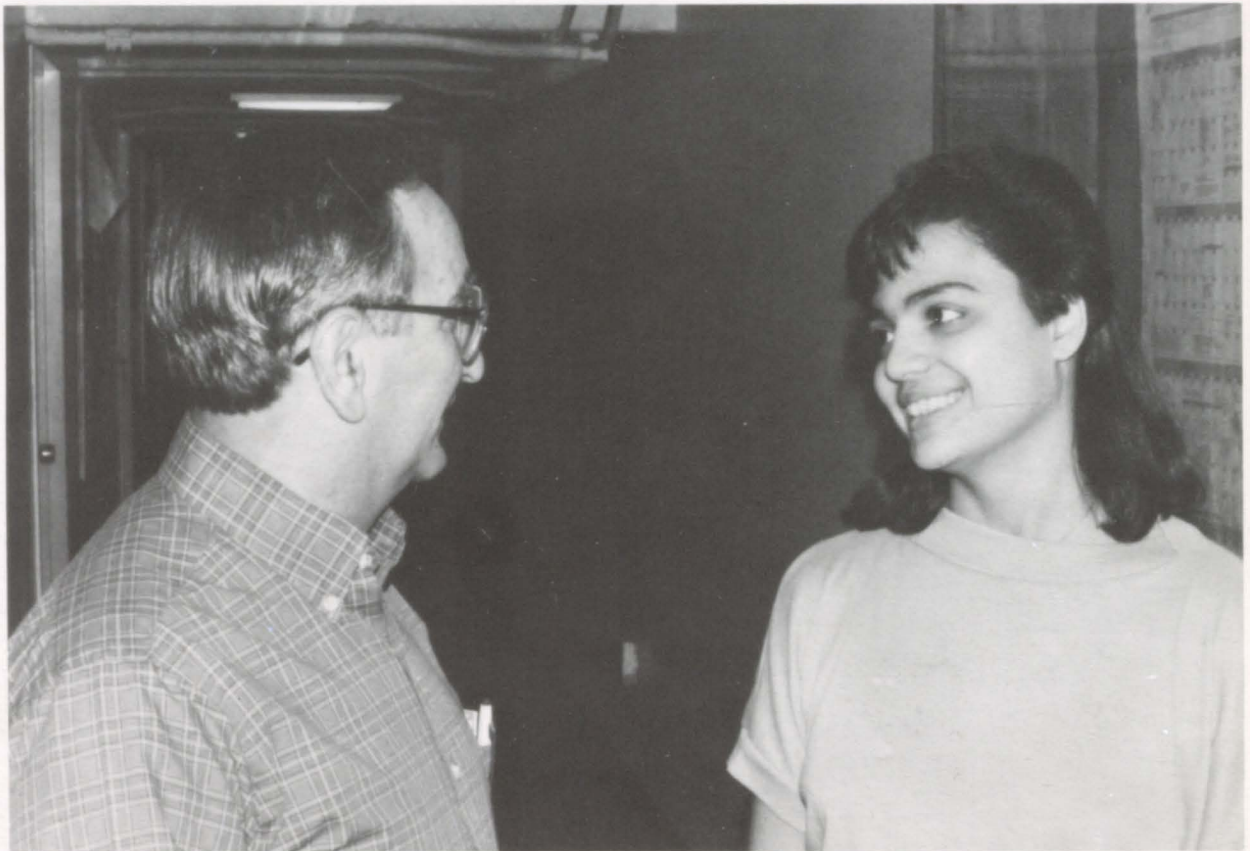

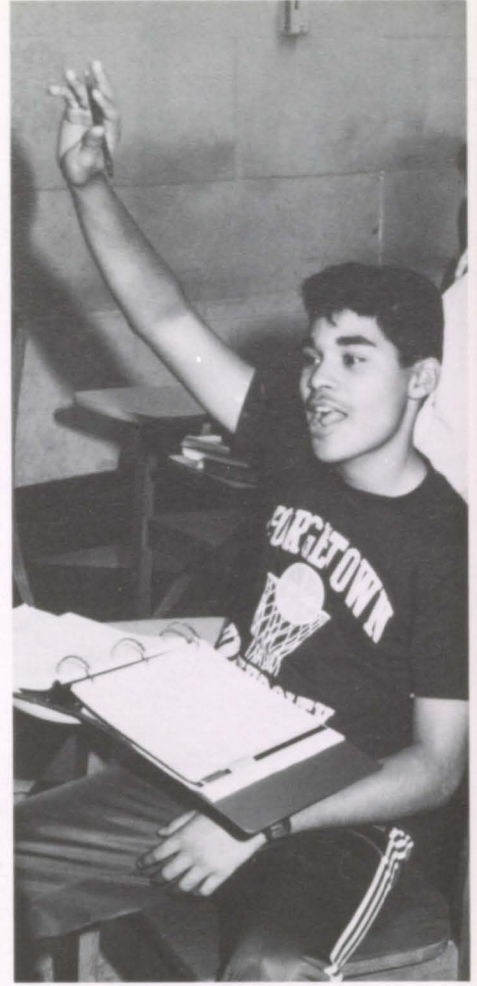

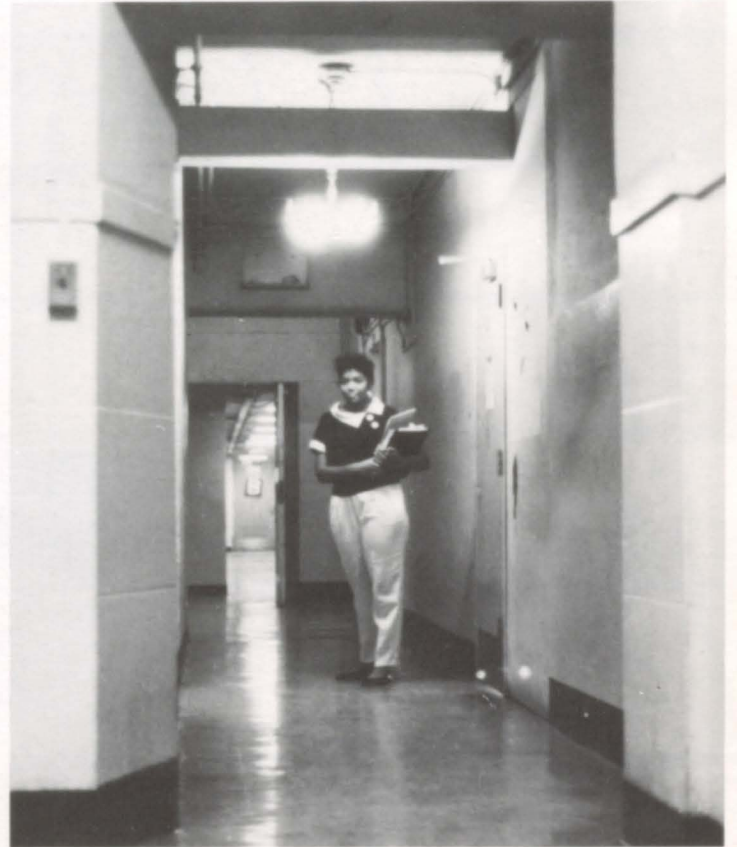

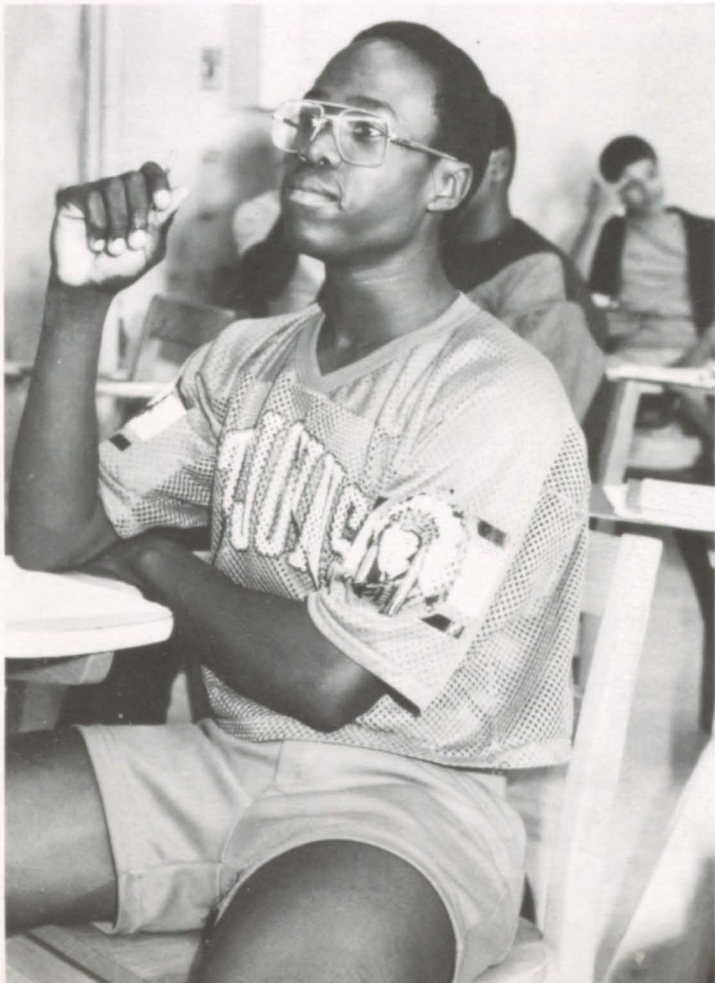

## SCHOOL

What wonders there are to explore and explore,  
What marvels of nature and man!

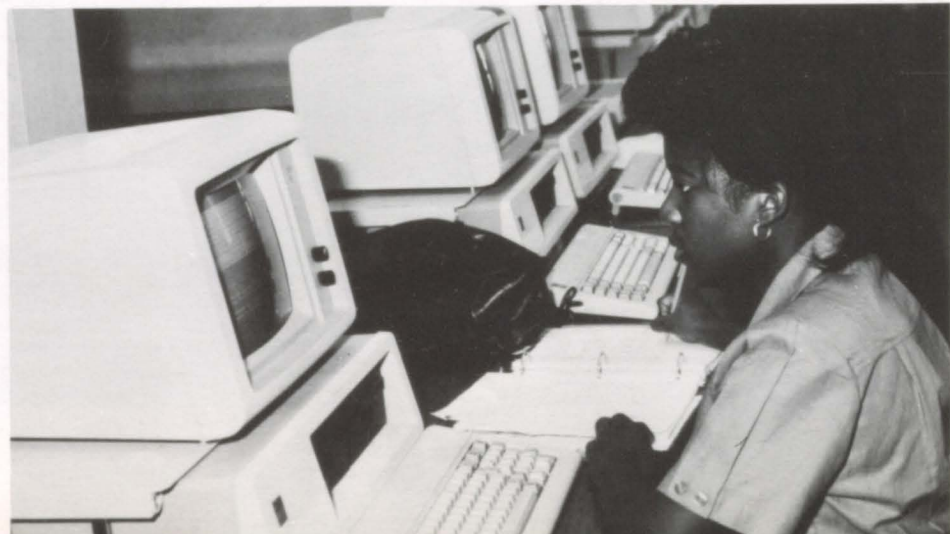

The land and the sky and the ocean's roar,  
The rocks and the stars and the sand.

Volcanoes and forests, prairies and hills,  
Ursa both Major and Minor as well,  
Whales and squid and tides and waves,  
Sun and moon which time do tell.

And lines which measure, which bind, which tell  
How long, how far, how near.  
The fluids of nature, the gift of the sky,  
So cold, so hot appear.

The story of man in song and verse,  
Of ages new and old,  
What cadence, what beauty, what joy to hear  
Life's own story, vivid and bold.

The wonders we see, the marvelous deeds  
Of beings like you and me,  
All these to explore and learn and feel  
And capture for eternity.

## FACULTY CANDIDS

## UNITY

I dreamed I stood in a studio  
And watched two sculptors there.  
The clay they used was a young child's mind  
And they fashioned it with care.  
One was a teacher; the tools he used  
Were books, music, and art.  
The other, a parent, worked with a guiding hand,  
And a gentle, loving heart.  
Day after day, the teacher toiled with touch  
That was deft and sure,  
While the parent labored by his side  
And polished and smoothed it o'er.  
And when at last their task was done,  
They were proud of what they had wrought,  
For the things they had molded into the child  
Could neither be sold nor bought.  
And each agreed they would have failed  
If each had worked alone.  
For behind the teacher stood the school  
And behind the parent, the home.

## Sandy Hook Trip A Memorable Experience

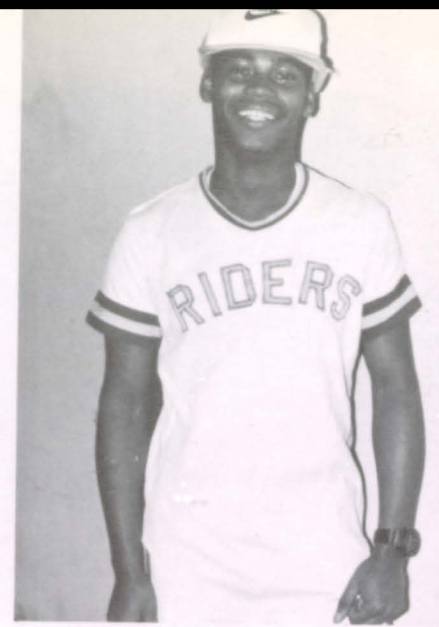

On October 17, Ms. Goldblatt and Mr. Micah escorted 50 of their Senior biology students on a field trip to Sandy Hook. Everyone was surprised to board a bus that was meant to hold kindergarten students. At first the students were annoyed, but since the weather was cold, they actually enjoyed the cozy surroundings. Ms. Goldblatt's group boarded the boat first at Sandy Hook and promptly froze to death. While on board, students measured water salinity, oxygen, and PH. They viewed horseshoe and hermit crabs. Mr. Micah's group walked along the beach and collected seashells. They also learned about ocean currents and soil erosion. Tired and weary, the Seniors boarded the bus with fond memories of an unforgettable day.

BUM DAY 1986

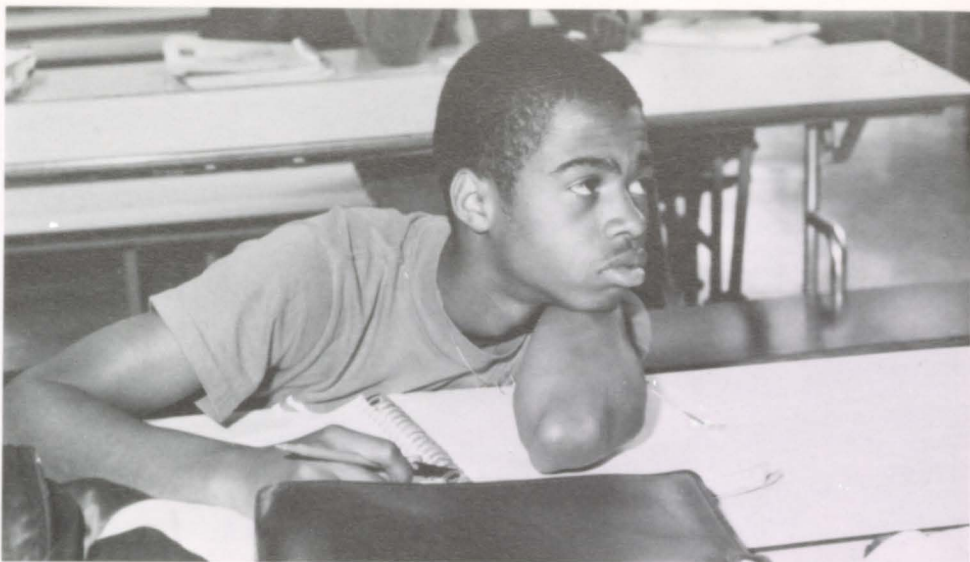

### Was it Really Bum Day?

October 31 was the traditional "Bum Day" at Science High. But was it really a "Bum Day?" Although some students were dressed as bums, others decided to dress in their own styles. We saw everything from a belly dancer to a baseball player to a beggar. Every costume was colorful and showed that all were enjoying themselves. We even had a clown who entertained the Senior gym class. But, let's not forget to include the people who did dress as bums. Many wore ragged clothing, weird wigs, and unusual shoes. The true spirit of Science High was reflected in extraordinary day. It was only "Bum Day." It was a day in which the students put their fantasies into costumes.

Jr.-Sr. Basketball

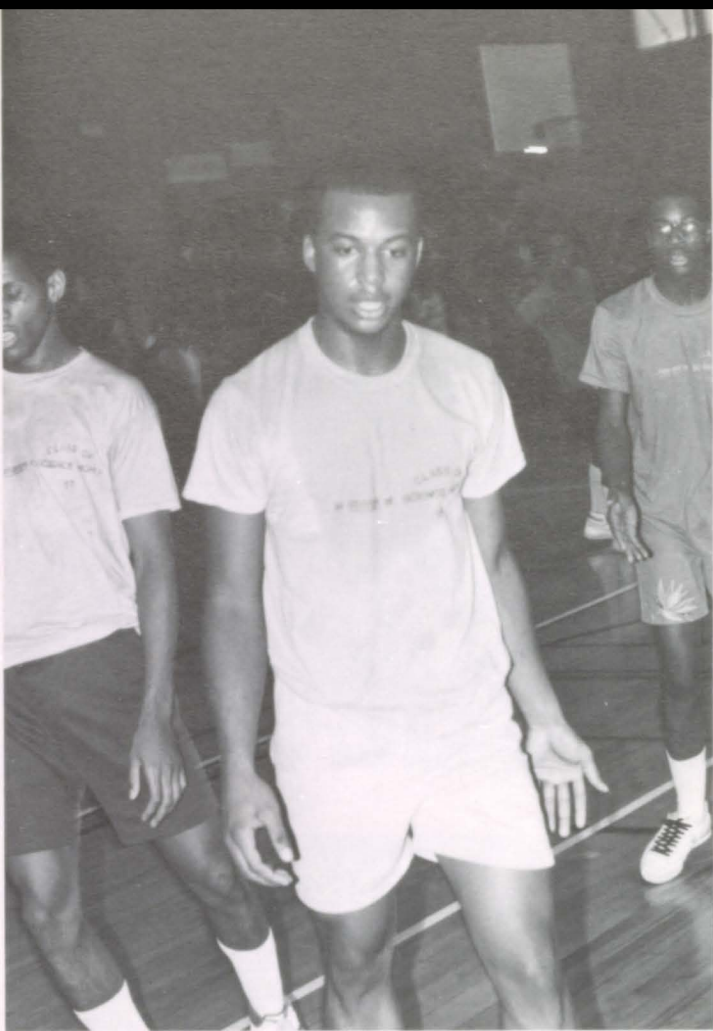

## A SCIENCE HIGH TRADITION

## SENIORS 23 — JUNIORS 21

The Senior basketball team dominated this traditional pre-Thanksgiving Day game and finished the afternoon with a 23-21 victory. From the dunking exhibition even before the game started to the tough "D" which forced many turnovers, our Seniors put on a display of exciting basketball. We'll remember November 26, 1987, as the day when the Senior Team produced a hard-earned victory in one of Science High's longest traditions.

# SENIORS VICTORIOUS

## Jr.-Sr. Volleyball

December 23, 1986

'Twas the day before vacation and all through the school, Seniors and Juniors were acting real cool. Yes, it was time for rejoicing and fun, but still there remained a task to be done. For this was the day to play the game, as Junior and Senior girls battled for fame. Volleyballs flew from ceiling to floor, some even reached the Y gym door. Here a spike, there a smash, oh what fun to see the girls run and run. And when it was over, the Seniors could say, "We played and we won, and we had a great day!"

## *Your Identity*

To have identity  
is to know what you are  
and read it  
in the moving water  
that creates the stream,  
to hear it  
from the long and dark echo  
of the night  
(that one, that never lies),  
to remember it  
with your first glance  
of the morning,  
after you have awakened.  
It is to say what you are  
anywhere,  
anyway,  
anyhow.

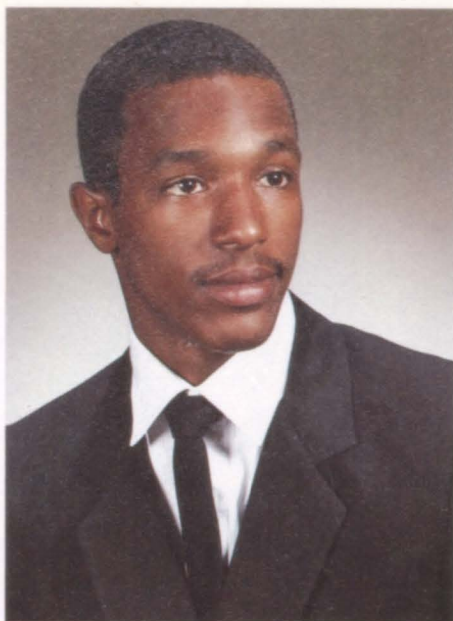

To shout it to a crowd  
— or to the crowd that exists  
in a single pair of eyes —  
and, if necessary,  
to stand up and defend it.

## GUIDANCE COUNSELOR

ANGEL JUARBE

The Class of 1987 would like to thank you for dedicating your time and effort in assisting us during our years at Science High. Your constant planning and spirited work have motivated us. You have helped us to better ourselves in our studies. We appreciate your assistance in helping us to choose colleges.

We thank you. We'll miss you. Hasta la vista. Au revoir. Farewell.

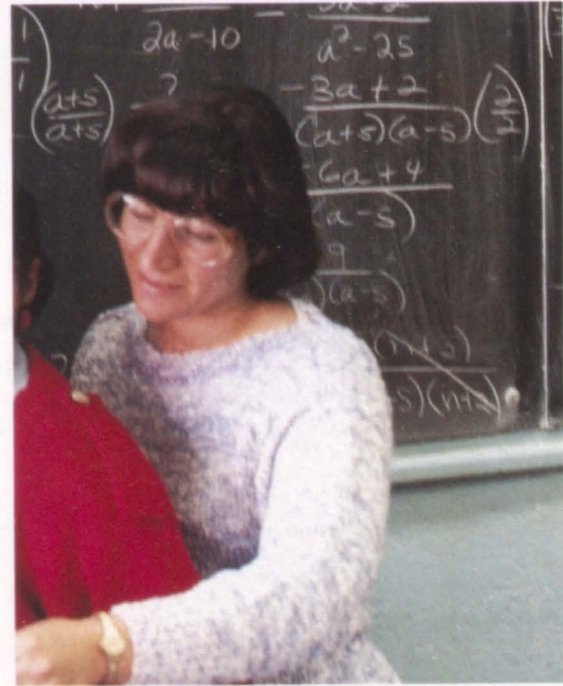

# CLASS ADVISERS

HOWARD BRENT

SUSAN ROCCO

Mrs. Rocca and Mr. Brent,  
 What would the Class of 1987 have been without you? We would not have had the organization to help plan class activities. We would not have had the funds available to pay our bills. We would not have been able to participate in all of the Senior Class functions. But most of all, we would not have had that spirit which makes the Class of 1987 unique.

With love and gratitude,  
 The Class of 1987

### *Some Memorable Quotes:*

*The secret of getting ahead is getting started.*

*Laugh and the class laughs with you, but you stay after school alone.*

*Education is what is left over after you have forgotten the facts.*

*Everything requires effort; the only thing you can achieve without it is failure.*

*Experience is the only school from which no one ever graduates.*

*What the future has in store for you depends largely on what you place in store for the future.*

# CHEERLEADERS

Science High's cheerleaders are hot this year. Led by Senior Captain Dawn Fontaine and Junior Captain Cassandra Barnette, they have cheered our various basketball teams to many victories and pulled them through some surprising situations. Not only are these cheerleaders the fiercest, but they are also the most intelligent cheerleaders in Newark. After all, they are from Science High! Congratulations to our girls and to their advisor, Ms. Davis.

Cross Country is a grueling sport which demands sacrifice and dedication. The results from the 1986 season are an indication that Science High's runners were willing to pay the price to achieve success. Led by Alex Fernandez and Capt. Jose Mercado, the team showed that it is developing into a fine unit. Alex had an outstanding record which included 7 firsts, 3 seconds, 1 third, and 1 fourth. For the girls, Tanisha McGriff's 3 firsts and 1 second led the team. Tarvenia Eddings also recorded 2 seconds and 1 third. After just three varsity seasons, Coach Kenny Duke's runners have much to be proud of and much to look forward to in future seasons.

Congratulations!

# INDOOR TRACK

COACH: Kenny Duke

Front: Coach Kenny Duke, Saul Montanez, Cornell Morrison, Jesus Rodriguez, Alnissa Tucker, Maria Pereira, Tanisha McGriff, Derek Givens, Rear: Otto DelaCruz, Rolando Acevedo, James Ballantine, James Gibbons, Tusharka Phillips, Jose Mercado, Deepak Kaul Not Pictured: Alex Fernandez, Carleton Blue, Tarvenia Eddings

The '86-'87 Indoor Track and Field season can best be described as encouraging. Both the boys' and girls' teams were very young and relatively inexperienced. The girls' team did place second in the Group I State Championship as a result of Tanisha McGriff's outstanding performance. Tanisha scored of the team's 12½ points. Other notable accomplishments: Alnissa Tucker (Freshman) — Runner-up, Queen of Peace Invitational 400 meters; Champion, Essex County J.V. 50 yd. dash; Tusharka Phillips (Sophomore) — 6th place, Group I championships 55 meters; Tarvenia Eddings (Sophomore) — 3rd place, Newark City high hurdles; Maria Pereira (Sophomore) — 4th place, Queen of Peace 2 mile; Alex Fernandez (Sophomore) — Runner-up, Queen of Peace Invitational 800 meters; 5th place, State Group I 2 mile run; 3rd place, 800 meters and 3rd place 1600 meters, Newark City Championships; Carleton Blue (Senior) — 3rd place, 300 yd. and 3rd place, 600 yds., Morris County Invitational; Tanisha McGriff (Sophomore) — Champion, Sate Group I 400 meter dash; 3rd place, State Group I 800 meter run; 4th place, State Group I 55 meter dash; 4th place, State Group I high jump; 4th place All Groups 400 meter run; Champion, Morris County Invitational 300 yd. run; Champion, Queen of Peace Invitational 400 meters; Champion, Queen of Peace Invitational 800 meters.

NICE GOING TO THE TRACK TEAM AND COACH DUKE!

The 1986-1987 basketball team exploded from the opening game, and when the smoke had cleared, the Chargers had run off 14 straight victories. The team captured championships in the first two tournaments of the season, the Oratory Shootout and the Harrison Christmas Tournament. Then came a streak of 10 more wins until the first loss, a tough one to a strong Group 4 Beleville team. Coach Gaylord's players ran into some powerful opposition in the last 10 games of the regular season, but they were able to finish at 18-4. Included in that record was Science's first appearance in the Essex County Tournament. But there was more to come!

The team was seeded #1 in the North Jersey Section 2, Group 1 State Tournament. Victory #19 was a hard-earned 45-41 battle against a strong GlenRidge opponent. A capacity crowd at the Y roared its approval of every Charger basket and sent the team to meet Newark Tech in the sectional semifinals. Unfortunately, the season ended with that game as our team, plagued by fouls early in the contest, staged a comeback late in the 4th quarter only to fall short at the final buzzer.

Seniors Dion, Malik, Donniell, Brian, Eric, and Hugh played brilliantly. Junior Hassan was among the leaders in scoring. Sophomore Travis was a key contributor in many games. We'll never forget the thrills of a magnificent 19-5 season. Congratulations to Coach Gaylord and the team! Thanks for the memories.

GO CHARGERS!

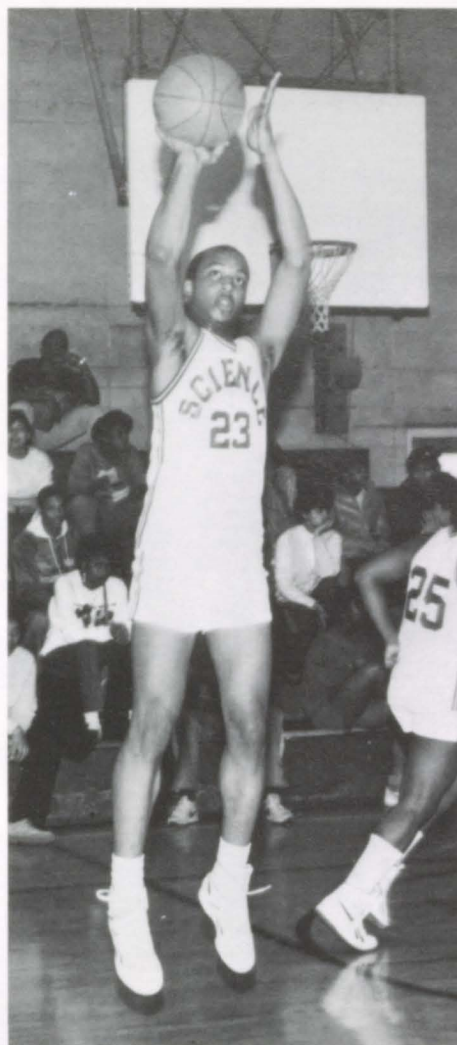

Interscholastic sports at Science High School are only three years old, but Charger teams have received recognition for outstanding performances. From the solid base established in these few years, Science High will expand its sports program in '87-'88 to include volleyball, baseball, and, possibly softball. A Roman writer said centuries ago, "Mens sana in corpore sano" — "A sound mind in a sound body." This idea is the motivating factor behind our sports program. Go Chargers!

# 1987 YEARBOOK STAFF

The production of a yearbook is an experience in cooperation and in energy. Many people contribute their expertise, their advice, and their time to bring to fruition a dream, a theme, and a book of memories. If, as John Donne said, "No man is an island," so no one person can bring forth the publication of a yearbook. I thank the professional assistance of Mrs. Shirley Vetter from Lorstan-Thomas Studios and Mr. Joe Shoopman of Taylor Publishing. I thank the faculty and staff of Science High for patience and understanding. I am indebted to all Seniors who helped in meeting our deadlines. I especially thank the following people:

Dawn Fontaine, Demetra Peterson, Jackie Johnson, Beatriz Rivera, Felicia West, Lateefa Bullock, Daisy Maldonado, Raul Malave, Terence Davis, Lisette Cruz, Santa Gonzalez, Raquel Parra, and Robert Rebimbas.

through whose efforts this book of memories became a reality.

Another year of successful argumentation! This year in debate was long and hard, but in the end the time paid off. The debaters spent an average of 3-4 hours daily after school. They worked even harder this season so that they could maintain their excellent reputation as a debate power. The year started in September with the training of the novice squad. With their knowledge and desire to keep up the school's reputation, they won numerous trophies and speaker awards against teams from New York State's finest schools. They also learned how to become a part of a family and to take on a sense of real responsibility. The varsity members — Terence, Roger, Diana, Wakilah, Marlon, Steven, Kendra, and Dana — took on the bulk of the responsibility. They attended tournaments almost every week for a grueling 3 days of work in intense competition. Although there were some disappointments, they always came out with some recognition. Roger and Terence were quite successful at a number of the most prestigious tournaments throughout the United States. In the tournaments at Blenbrook, Southern Illinois and at Emory University, Roger and Terence kept up with the very best teams representing every state in the nation. Roger and Terence kept up their successful work to recapture the varsity state championship with a preliminary record of 4 wins which helped them advance to the final round against the top seeded team, Princeton High School. They were hard fighters and brought themselves a 3-0 decision, thus recapturing the state title for Science High School for the 5th time since the beginning of the Debate Program. This was an excellent year for debaters at Science High School.

CONGRATULATIONS! YOU ARE THE FINEST! KEEP UP THE EXCELLENT WORK!

A mi hija, Santa:

To my daughter, Santa:

Me has hecho muy feliz en saber que has terminado la Escuela Superior. Te deseo muchos exitos en el futuro y ten fe en Dios y esperanzas para que puedas vencer los obstaculos y leegues a lograr todos tus deseos. Piensa siempre positivo y puedes contar conmigo, ya que estoy dispuesta a darte la mano en todo lo que pueda. No te imaginas lo orgullo que me siento y complacida en ser tu mi primer hija que llega a terminar la Escuela Superior. Esto demuestra que no hoy imposibles en la vida para el que se propone a hacer algo aunque sea con dificultad. Sigue adelante y que Dios te bendiga y te ayude. Muchas felicidades. Salud y suerte a ti y a la clase graduanda del "87."

Tu madre,  
Elizabeth

You have made me very happy that you finished high school. I wish you all the best in the future. Have faith in God and He will be the one to help you overcome any obstacles that you may have in life. Always think positive. You can count on me. I am willing to help you in all that I can. You cannot believe how proud I am that you are the first one to finish high school. This goes to show there is nothing impossible in life for those who are determined even if there are some difficulties. Continue with your success. May God bless you and help you. I wish you happiness, health and good luck and to the graduating class of "87."

Your mother, with love,  
Elizabeth

TO: SANTA NILZA GONZALES

I hope you make your dreams a reality.

I wish you all the success you deserve.

Remember always: Education is the key to your future.

Congratulations and good luck in college.

With love, Your father, SANTOS

To my wonderful sister, Santa,  
"The measure of success goes  
only as far as you extend it."

With the positive thinking and  
attitude that you have about your  
education, I'm sure that your  
extension of success will be a  
very long one. Santa, I'm very  
proud of you. Keep up the good work.

Love always, Your sister,  
Carmen Eve

To Deon "Malik,"  
Good luck and best wishes for  
the future. Continue your  
success academically as well  
as athletically. Stay as "Sweet" and  
as "Lovable" as you are now.

Love Always, Santa  
Your friend #1 Tutor

To Santa (My #1 Girl),  
May success, love and happiness be  
yours all the days of your life.

Love ya,  
Sandy (your favorite boss)

To Santa,  
Now that you have partly accomplished  
your goal, you have my blessings to go  
all the way. I hope that you will reach  
high to find that there is a star that  
will lead you to the road of success.  
Congratulations!

Your sister Maria,  
Edwin and Family

To my Dear Sister, Santa:  
I know I'm right  
I know it's true.  
You're going to finish college  
As easily as high school.

Best wishes and good luck!  
Love always, Yolanda (your little sister)

To Santa Gonzalez,

The future belongs to those who pre-  
pare for it. Continue the diligent work  
and success will surely be yours. Remain  
the beautiful, refined, and sexy young  
lady that you are now.

Mrs. C. Brooks

To Lisette, Sonia, Daisy, and all of  
my friends at Science High,  
I would like to wish you the best of  
luck and success for the future. The  
friendship we shared at Science High  
will always be remembered in my mind  
as well as in my heart. To all of you:

Thanks.  
Love always,  
Your friend,  
Santa

To Sweet Santa,  
Roses are red,  
Violets are blue.

Science High wasn't easy  
But you made your way through.

Your sister who loves you,  
Diana

AD MULTOS ANNOS!

To Tracey,  
I give thanks to God for bringing  
you this far. With hope, faith,  
patience, and God on your side, I  
know you will succeed in whatever  
you do. Good luck in the future.

Love,  
Mom

Congratulations Tracey,  
May you succeed in every  
goal you set out to do.  
Good Luck in the future.

Love, Donna, Dwayne, and  
Aunt Jessie

Tracey,  
Wishing you success in everything  
you do. Good luck and congratulations!

## BEST WISHES FOR SUCCESS IN THE FUTURE YOUR ADVISERS

As a fund raising project, yearbook  
advertising produces extra revenue to  
defray publication expenses. The 1987  
*Synergist* staff thanks all those who  
participated in this year's campaign. The  
staff also applauds those Seniors who  
worked hard to bring in ads. Santa  
Gonzalez was #1; Raul Malave, #2; Tracey  
Howell, #3. We thank homerooms 102  
and 109 for their ads. Other Seniors who  
produced advertising copy were Derek  
Givens, Sonia Rodriguez, Beatriz Rivera,  
and Tawanna Kidd.
